## Day 1: Welcome to the Island Of The Gods

We hope you are as excited as we are! Our friendly driver will meet you at the airport and bring you to the first hotel – and there is no better place to start the tour than in the bustling hub of Canggu! Here you will meet your absolute legend of a tour guide – and quite frankly (new Bali bestie)!

After a long journey, check in and chill out, maybe a coconut poolside? Or a walk to the beach as it's literally 2 mins away from our epic hotel!

Just before sundown it's time to get ready and meet the rest of your new Bali Fam! The memories you guys are going to make together are going to be UNREAL! Let's kick it off with your first ever Bali Sunset, grab a coconut or bintang as we watch the sun go down. As the sun goes down it's time to enjoy our first family meal together with some live music to end the most perfect first day together.

## Day 2: Canggu Surf n' Culture

Surf's Up! Have you even been to Bali if you haven't tried your hand at surfing?

And what a better place to learn than in the surfers paradise of Canggu. Famous for its long soft breaks our instructors will have you standing, riding and maybe even handstanding on those waves in no time (ok maybe not handstanding but you get what we mean). We've got the best of the best with our instructors so if you're gonna learn anywhere – these are they guys for the job!

After a morning of epic wave riding it's time for lunch and trust us your local legend guides know all the BEST spots! After an adrenaline filled morning after lunch it's time for some down time to use as you wish, maybe an afternoon siesta? Massage or even a spot of shopping around the cute boutiques in Canggu – this is your time baby!

Next up it's time to embrace yourself in the magical culture here in Bali as we head to Bali's most famous sea temple – Tanah Lot. Learn all about the wonders of this tiny island and traditions as we watch the sun go down with the most majestic backdrop of the temple! For sure you've seen it on the gram – BUT IN REAL LIFE – WELL .... YOU'LL BE LEFT SPEECHLESS!

## Day 3: Ubud 'off the beaten path'

Ready for culture, nature ... monkeys and a whole lotta FUN ... Bali style!

Pack your bags, today we're heading to the jungle town of Ubud. On route it's time to experience the real Bali as we get lost in the lush green rice terraces, take a dip in a hidden waterfall, embrace the magic of a water purification ceremony, relax in the 3 layered pools at Cretya, and get a selfie with the local residents at the Monkey Forest – watch out they really can be cheeky monkeys!

After a jam-packed day experiencing the best of Bali, we'll head to our new hotel where we can kick back and relax on the rooftop pool before having dinner and getting an early night ahead of an early start tomorrow morning for the BEST sunrise of your life.

## Day 4: Volcano's & Cooking a la local style

Rise & Shine, for those avid hikers it's an early start today as you set off on an adventure to climb an active volcano for one of the most magical sunrises of your life! (BIG statement we know ... But it's true).

As you sit above the clouds with a hot drink & breakfast in hand watch mother nature put on a show as the sun glimmers through the clouds creating the most magical skyline above the volcanic tops of the neighbouring volcano's, Mt Agung & Mt Abang.

If early mornings or climbing mountains isn't for you, enjoy a lazy morning in Ubud, kick back at the rooftop pool or take a stroll into town to the local market.

Once back to the hotel you can have your second breakfast of the day, nap or even head off to do some exploring before we grab our best chef whites and head off to cook up a storm at our Traditional Balinese Cooking Class – how well we eat tonight is down to you guys so don't go too wild with the chilli's.

## Day 5: Nusa Island Hoppin'

Think Bali 50 years ago ... oh and FYI these islands are home to undoubtedly the BEST beaches in Bali!

With white-sand beaches and crystal clear waters, this is a once-in-a-lifetime opportunity to visit these Islands whilst they still remain relatively untouched.

After a busy morning than with some beachfront brunch. After a morning relaxing beach side we head over the ICONIC yellow bridge to Nusa Ceningan, we can dip in the crystal clear waters of Secret Beach and gaze into the turquoise beauty that is Blue Lagoon.

Next we will head back to Nusa Lembongan and watch the waves crash up against the idyllic rock pools at Devils Tear.

## Day 6: Manta Rays & Island Life Baby!

It's an early start today to go swim with the angels of the sea – the majestic Manta Rays. These friendly gentle giants will have you in awe as they glide through the oceans (like angels) also don't worry they are completely harmless, yes they're BIG but trust us, they really are gentle giants.

After a morning mermaiding or mermaning in the ocean it's time to head back to land and you can take some time to take in the magic of the island in your own time, maybe a massage? Spot of shopping in the boutiques? Or having a well deserved beach day on the idyllic white sand beaches?

## Day 7: Nusa Penida The Best Spots

Get ready to see some of the BEST BEACHES IN THE WORLD!

The famous dinosaur head beach – Kelingking beach will be our first stop, if you're feeling daring dangle your feet over the edge and look down at this iconic viewpoint. Next stop we'll bask in the beauty of Broken Beach & Angels Billabong (who knows you might even spot some Mantas from above here).

After a morning of adventuring we will head to one of the most instagrammable lunch spots on the island where we can chill poolside.

On route back to Nusa Lembongan it's time to head through the mystical Mangrove Forests and back to the hotel to get ready for our Sunset Dinner and final night on this dreamy lil island.

## Day 8: Gili T

Drum roll pleaaaase ... you've probably heard the hype well guess what ...it's now your time to experience it! The most iconic island in Indo ... Gili T we are coming for you! Cruise in style as we hop over to this tiny lil Lombok island by fast boat.

Once we arrive we can check in at our tropical island stay where we will be based for our last few days before spending the afternoon chilling by the pool, sunbathing under the palms or having a cheeky bintang or 2 (after all it's beer o'clock somewhere right?)

After a chill afternoon it's time to grab our wheels (bicycles) and cycle round the island for undoubtedly one of the best sunsets of the trip! And yes we do everything by bicycle or foot on the islands as there are NO motor vehicles!

## Day 9: Turtle Time!

A Bucketlist morning for many ... It's TURTLE TIME!

It's an early start as we jump aboard our private boat to go island hopping and discover the magical underwater world the Gili Islands have to offer.

We'll dive into the crystal clear waters and hop around the three islands – Gili Trawangan, Gili Meno and Gili Air as we visit the mystical underwater statues, swim with turtles and embrace our inner Moana amongst the tropical fish and colourful corals.

After an epic bucket list morning it's time to head for lunch on the smallest island of the trip – Gili Meno.

As the sun goes down on Gili the nightlife ramps up and it's time for our BIG NIGHT OUT ... Gili T style! First up we'll line the stomachs at the iconic Gili T Night Market,

## Day 10: Time to say goodbye or where next?

Sadly today is our last day, it's time to say goodbye to your Bali Travel Fam, reminisce on the good times and exchange contacts so you can keep in touch... who knows where these new found friendships will take you next?

We have kept this morning as a free morning for those nursing a sore head and so you can enjoy a slower morning in paradise ... wait – what? It doesn't have to be the LAST day of the fun? Your legend guide is there to help you onto your next adventures, be it more island hopping or to be on hand with tissues as you say goodbye to head home. What can we say ... it's been an absolute blast – Don't forget to get one last group photo – and we hope to see you again 😊
