Itinerary:

Day 1: Welcome to the Island Of The Gods

Welcome to Bali, babes!

Get ready to kick off the holiday festivities in style! Our friendly driver will be there on arrival to pick you up and bring you to our first stop—Canggu, the ultimate Bali hotspot. After checking in at our super chill hotel (where the beach is just a hop, skip, and a jump away), you'll meet your awesome tour guide—your soon-to-be Bali bestie. Take a moment to unwind—maybe a poolside coconut or a quick stroll to the beach? As the sun starts to dip, it's time to glam up and meet your new Bali girl squad. We're heading to one of Canggu's iconic beach clubs for a breathtaking sunset. Picture this: coconut or cocktail in hand, sun kissing the horizon, and live music and the start of the most memorable Christmas & New Year together. Let's make this the start of something unforgettable!

Day 2: All I want for Christmas is ...

Ho Ho Ho! Merry Christmas!

Santa's delivered the ultimate gift today—surfing lessons in paradise! Canggu's famous soft breaks are calling your name. Our top-notch instructors will have you riding waves (maybe not handstanding just yet, but who knows?) in no time.

After catching some epic waves, it's back to the hotel to freshen up for the afternoon's festivities. We've lined up a fabulous Christmas dinner at one of Bali's best spots, complete with a Solo Travel Girls Secret Santa, festive games, and of course, all the Mariah Carey you can handle. Where does the night take us? Well, that's up to you, ladies!

Day 3: Ubud 'off the beaten path'

Today, we're diving headfirst into Bali's vibrant heart!

As we make our way to Ubud, prepare to be swept away by the breathtaking beauty of lush green rice terraces, cool off with a splash in a hidden waterfall, and immerse yourself in the magic of a traditional water purification ceremony. After soaking up the true essence of Bali all morning, we'll unwind in style at the dreamy three-tiered pools of Cretya.

With our spirits high and our souls refreshed, we'll head to our chic new hotel for some rooftop poolside relaxation before having dinner and getting an early night ahead of an early start tomorrow morning for the BEST sunrise of your life.

Day 4: Volcano's & Cooking a la local style

Rise and shine, adventure seekers!

For the early birds, we're climbing Mt. Batur, an active volcano, to catch one of the most magical sunrises of your life! (BIG statement we know ... But it's true). As you sit above the clouds with a hot drink & breakfast in hand watching mother nature put on a show as the sun glimmers through the clouds creating the most magical skyline above the volcanic tops of the neighbouring volcanoes, Mt Agung & Mt Abang.

If you're not into the early rise, no worries—enjoy a leisurely morning in Ubud, kick back at the rooftop pool or take a stroll into town to the local market. Once back to the hotel you can have your second breakfast of the day, nap or even head off to do some exploring with the Monkey Forest on the doorstep. Maybe you wanna go make friends with some of Ubud's more cheeky residents?

Later, we're channelling our inner chefs at a traditional Balinese cooking class. Tonight's dinner? Well, it's all up to how wild you go with those spices!

Day 5: Nusa Island Hoppin'

Pack your bags, ladies—it's time for some of that sweet island life baby! First up, the stunning Nusa Islands, where Bali's beauty feels like a step back in time. With pristine white-sand beaches and crystal-clear waters, this is your chance to explore these untouched gems before the rest of the world catches on.

We'll drop our bags at the hotel and then head straight over the ICONIC yellow bridge to Nusa Ceningan. Get ready to dip into the crystal-clear waters of Secret Beach and marvel at the turquoise wonder of Blue Lagoon.

As the day winds down, we're off to Devil's Tear, where we'll watch the waves crash against the stunning rock pools for an unforgettable sunset.

Day 6: Manta Rays & Island Life Baby!

Wake up, mermaids—we're swimming with Manta Rays today!

These gentle giants will leave you in awe as we glide alongside them in the ocean. After our morning swim, we're off to Nusa Penida, where you'll be snapping pics at some of Bali's most iconic spots. First up: Kelingking Beach (yes, the one that looks like a T-Rex!), then on to the beautiful Broken Beach and Angel's Billabong. Keep your eyes peeled—you might spot more Mantas from above!

Day 7: Grab your bags we're going to Gili!

Drum roll pleaaaase ... you've probably heard the hype well guess what ...it's now your time to experience it! The most iconic island in Indo ... Gili T we are coming for you!

Cruise in style as we hop over to this tiny lil Lombok island by fast boat.

Once we arrive we can check in at our tropical island stay where we will be based for our last few days. After a busy week this afternoon is yours maybe you want to chill by the pool, head to the beach or having a cheeky bintang or 2 (after all it's beer o'clock somewhere right?)

After a chill afternoon it's time to head out for dinner with live music as we get our first glimpse into the famed Gili T nightlife (but remember ladies tomorrow is the BIG one)!

Day 8: Turtle Time & NYE Night Out

It's the final day of the year ladies so ofcourse we had to have A BUCKETLIST day! Yep we are ticking off the last day of the year swimming with TURTLES!!

It's an early start as we jump aboard our private boat to go island hopping and discover the magical underwater world the Gili Islands have to offer.

We'll dive into the crystal clear waters and hop around the three islands – Gili Trawangan, Gili Meno and Gili Air as we visit the mystical underwater statues, swim with turtles and embrace our inner Moana amongst the tropical fish and colourful corals.

After an epic bucket list morning it's time to head for lunch on the smallest island of the trip – Gili Meno.

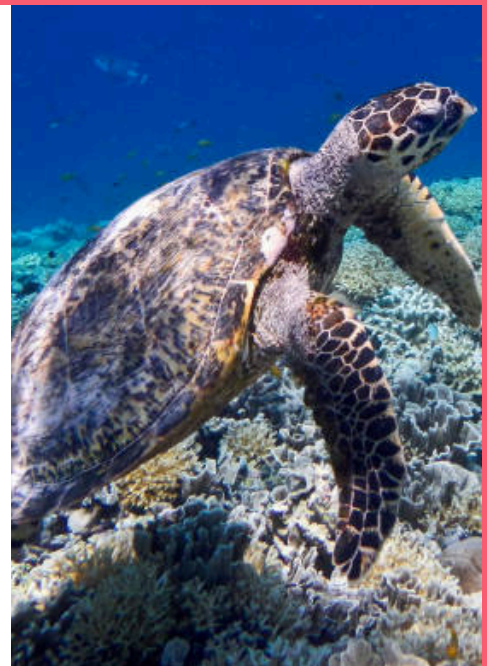

As the sun goes down on Gili the nightlife ramps up and it's time for our BIG NIGHT OUT ... Gili T style! First up we'll line the stomachs at the iconic Gili T Night Market, before hitting the strip for a spot of Beer Pong, live Reggae and dancing the night away.

Day 9: Free Time & Jewels

We have kept this morning as a free morning for those nursing a sore head or maybe you wanted to try your hand at some other activities on the island? A spot of surfing or even some diving ... our friendly guide can help to arrange any extra activities for you if you wish 🏄

For the afternoon we're heading to the other side of the island with our bicycles. Passing through the soaring palm groves and cycling through the untouched parts of the island as we head to Gili T's number 1 beach club to sit back and relax.

After an afternoon relaxing we'll head beachfront to enjoy an iconic Gili T sunset and meet our favourite local hand craft jewellery maker on the island (disclaimer alert – he hand makes the most amazing jewellery for us on the beach – so we apologise now if you go bankrupt after meeting him).

Day 10: Time to say goodbye or where next?

Sadly today is our last day so... for those early birds to join our sunrise cycle around the island, a refreshing way to start the day whilst seeing the beauty of the whole islands or if you prefer take a slow morning in paradise.

Your legend guide is there to help you onto your next adventures, be it more island hopping or to be on hand with tissues as you say goodbye to head home.

What can we say ... it's been an absolute blast – Don't forget to get one last group photo – and we hope to see you again 😊
