# What others have said:

I went on the island-hopping tour with Sharen. We went on some really great excursions, including snorkeling, a sunset boat tour, and more. It was a truly unique experience.

Everything was fully organized (especially the transfers), and Sharen took care of everything and accommodated our requests.

I was traveling with Solotraveller as part of my three-week solo trip and really enjoyed not having to worry about anything.

I had the best time with Solo Travel Girls! We did the island hopping mini tour and everything was planned out perfectly from activities like snorkeling and stand up paddle boarding, to island tours and the amazing restaurants they brought us to. The whole experience was perfect and was so happy to be travelling with a great group of girls. We were lucky to have Glory as our guide, her vibes and energy made all the difference!! Leaving this trip with nothing but great memories. Highly recommend STG!

Excellent experience! I toured the Nusa and Gili Islands. We were a small group, and the tour leader was wonderful. We did a ton of activities while still having plenty of free time.

I recommend this travel agency, and I'm thinking of booking with them again for my next trip!
