## What others have said:

We had the best time at Gili with Solo Travel Girls, and got to see so much in just a few days. The experience was really magical with Ghinna guiding us through the islands, and she was super helpful in giving recommendations and organize activities also for our free time. Would definitely recommend!!!!

I would recommend this trip to any girl travelling solo - GLORY is an amazing and the kindest guide, making everyone feel welcome and having the most fun of the trip! Highlight was snorkeling and seeing the turtles, manta rays and coral.

The itinerary is a perfect balance of lots of activities (biking, SUP, snorkeling) while leaving time to relax, chill or do your own activities. Everything is very well organized, would definitely do this again!
