# What others have said:

Had a fab trip which made for an epic start to 2025. There was a wide range of activities organised, including excellent hosts and downtime when we needed. The WhatsApp group was super handy and the photo app was a great way to keep us all connected. Was a lovely bunch of girls in my group and a brilliant guide in Mira who was lots of fun, very helpful and well organised. Made us feel safe always and was adaptable when needed. Highly recommend.

The Solo Travel Girls Tour was absolutely amazing! I highly recommend it! I came to Bali on my own, but thanks to this tour, I made real friendships. I felt completely safe and had an incredible time. It's also a fantastic way to enjoy quality girl time and share unforgettable experiences together!

Easily one of the best experiences ever. Solo travel can be so daunting but we were accommodated and looked after by icha who was such an amazing guide, and made sure anything we needed was sorted. Met some amazing girls on the tour and made memories I will never forget. Thank you so so much!! I recommend to literally anyone, you'll have the experience of a lifetime! ❤️
